

BLEED LINE
Art above this line will be covered by the liner during production.

BLEED LINE
Art below this line will bleed off during production.

This guideline indicates the center line on the side.

This guideline indicates the center line opposite the handle.

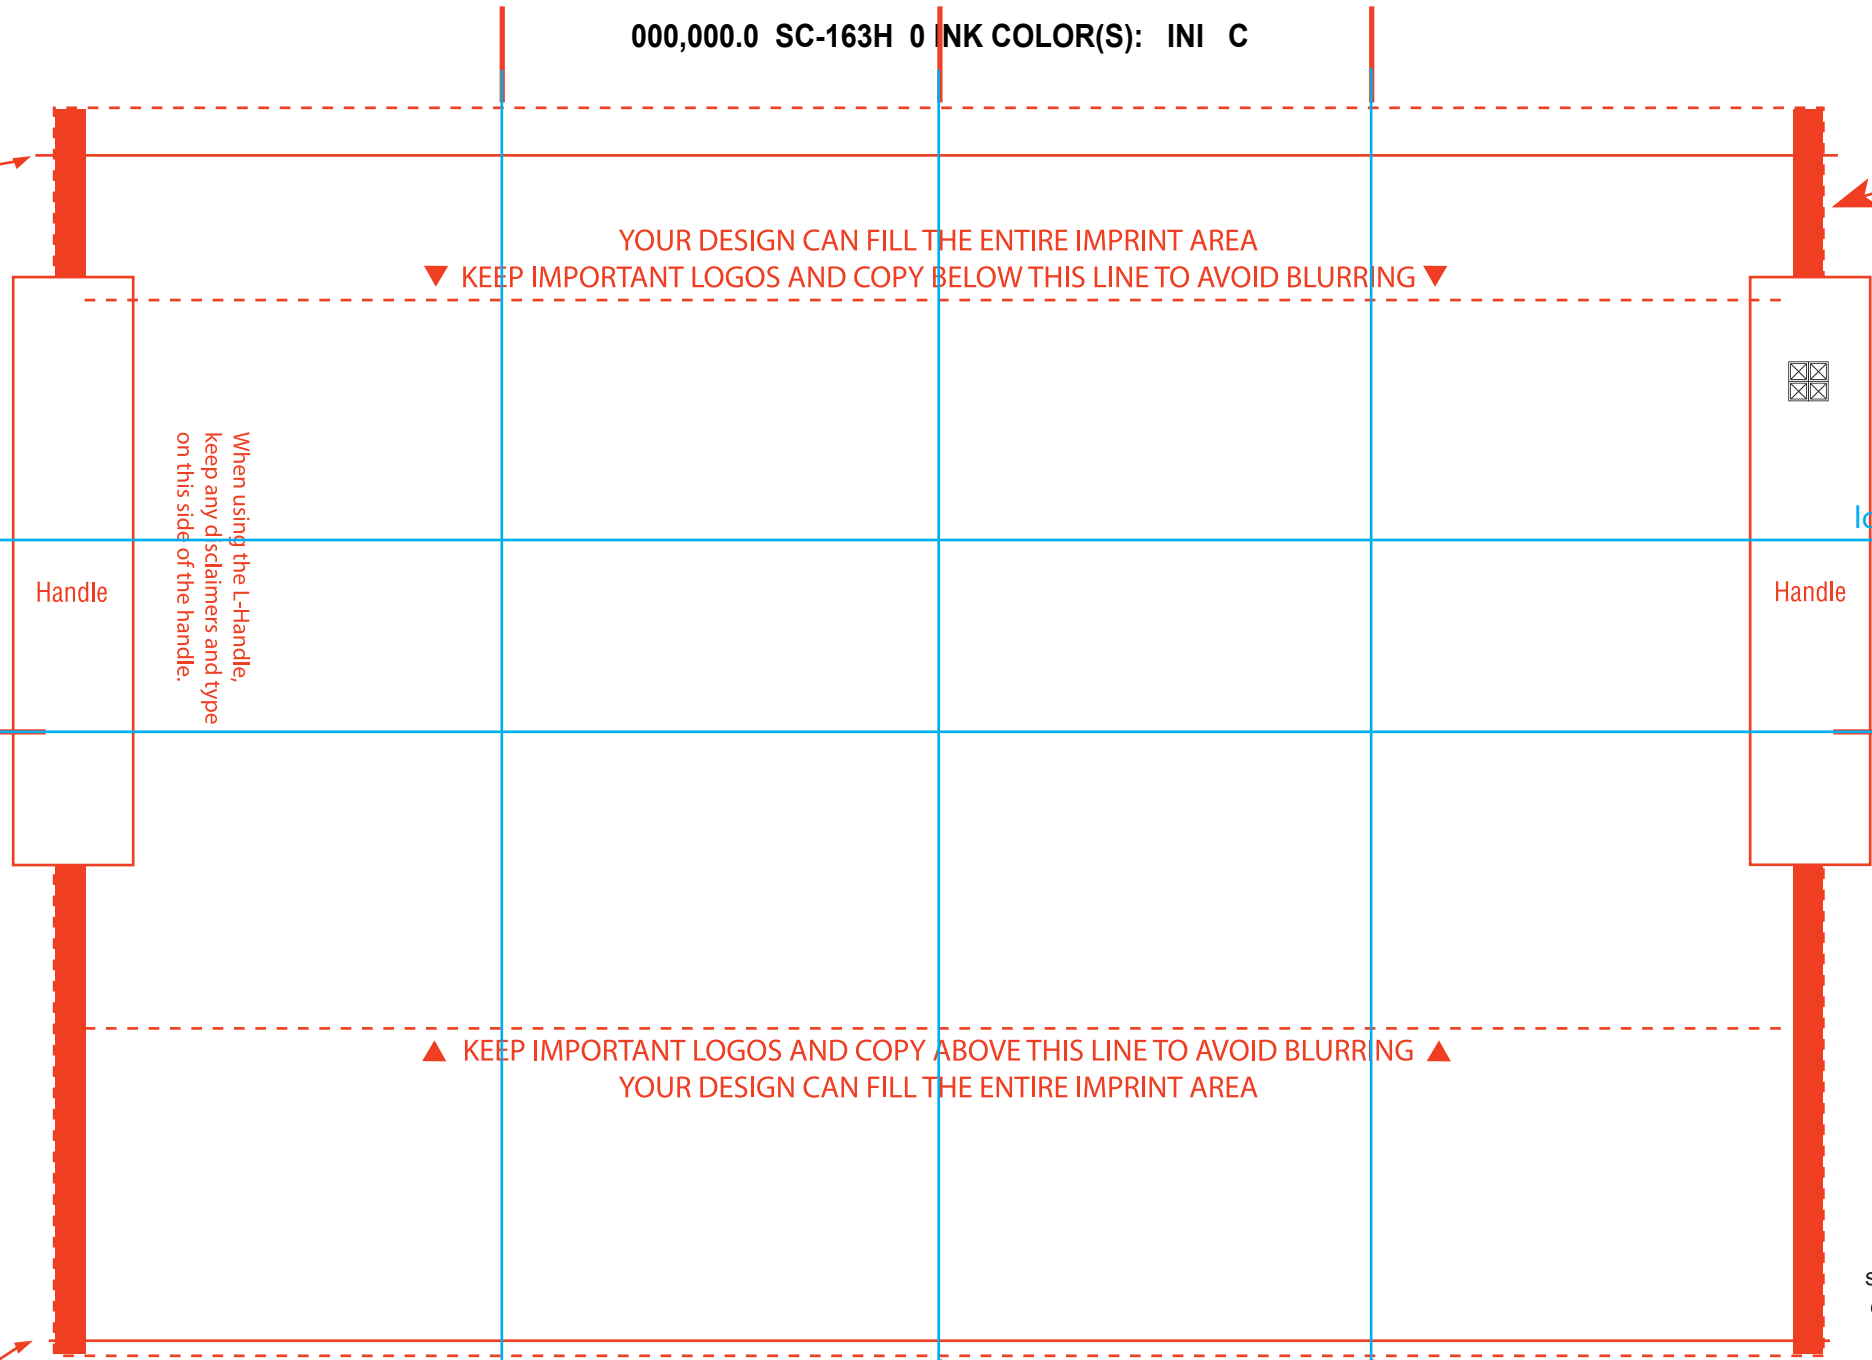

This guideline indicates the center line on the side.

Red bars indicate the overlap area. Use a solid color to overlap or keep this area "blank" to create a gap.

Use this guideline when using smaller logos to keep it high on the imprint area.

This guideline indicates the center line from top to bottom.

Background color simulates XXXXXXX cup color and does not print.

Red dashed line shows imprint limit and does not print.

SC-163H GRID

12/02/16

Dimension with 3/16" overlap: 9.20"w X 6.48"h

For best results, design your art using solid spot colors. If process printing is desired you MUST contact your Whirley DrinkWorks sales representative.
