

ARE YOU PROTECTING
YOUR BRAND AND YOUR
CUSTOMERS WITH
**SAFE QUALITY
PRODUCTS?**

Consumers don't buy food or products they don't trust. Many leading food service retailers and providers worldwide are now expecting or mandating supplier certification to *Global Food Safety Initiative (GFSI) recognized programs.*

**Whirley-DrinkWorks!
SQF Certified since 2015**

Since 2015, our Warren, PA facility has been a *Safe Quality Food (SQF) Level 2* certified manufacturer of food and beverage packaged products. Level 2 also includes having a *HACCP* (Hazard Analysis Critical Control Point) Plan. We have scored a high rating on each unannounced independent audit every year since initiated.

**Provide Safe Quality
Food Certified Products**

Safe Quality Food (SQF) is a GFSI recognized food safety certification mandating suppliers and manufacturers to implement rigorous safety processes and practices including passing an "unannounced" annual audit to manage food safety risks and provide safe products for use by companies in the food industry.

**What does this mean to your
Brand and your Customers?**

**YOU CAN TRUST THAT OUR PRODUCTS
ARE SAFE AND READY TO USE, RIGHT
OUT OF THE BOX WITHOUT NEEDING TO
BE WASHED!**

**PRODUCTS CAN ALSO BE SHRINK-
WRAPPED FOR ADDED SAFETY UPON
REQUEST!**

For more information on our quality and safety initiatives, contact your Regional Sales Manager.

ARE YOU PROTECTING YOUR BRAND AND YOUR CUSTOMERS WITH **SAFE QUALITY PRODUCTS?**

Our Commitment to safety extends to our Asia produced Custom DrinkWorks and Premium EasyGo Products

Most of our products are manufactured by GFSI Certified Asian Supplier Partners. A surface sanitizing treatment is performed on all beverage program products designed to be used directly out of the box prior to final packaging. Care and use instructions are included with products designed for retail.

According to the CDC, there is currently no evidence to support the transmission of COVID-19 associated with imported goods. It is worth noting there have not been any cases in USA associated with imported goods.

Above and Beyond....Safe Quality Product Testing for all made in USA and Asia produced Whirley-DrinkWorks and EasyGo products

All of our product families are third-party tested and approved for quality assurance regarding chemical and physical safety.

CERTIFICATES OF CONFORMANCE:
We openly share all testing results with our customers

REGULATORY REQUIREMENTS & TESTING STANDARDS:

Our Products are tested for compliance based on the requirements of each geographic area we serve. The most common test standards are as follows:

- **CONSUMER PRODUCT SAFETY IMPROVEMENT ACT OF 2008 (HR4040)**
- **CALIFORNIA PROPOSITION 65 INCLUDING BPA**
- **EN71-European Standard**
- **LOT TRACEABILITY:** Recall process using lot tracking.
