

16 oz REWASH TUMBLER

SC-162X

209,853.0

ABOUT REWASH

- Designed to be used, returned, washed, and reused in replacement of disposables.
- Double wall insulation to keep hot beverages hot, and cold beverages cold.
- Stock design shown is available by the case (32 pcs.), and is co-packed with clear & green lids for a quick, easy start to a ReWash Program.
- Tumblers can also be fully customized with your logo and graphics to support your unique sustainability / ReWash program.
- 100% made with #5 recyclable polypropylene.

Please contact your Regional Sales Manager for more information on the ReWash Tumblers or any of our Product Solutions.
